

GEN PRINT

XP3156 50cm wide · XP3157 75cm wide

Gen Print is our cost effective printable media which offers great print quality with a satin finish. This easy to weed material can be applied to cotton blends and polyester blends with optimal wash durability.

50cm samples are available free of charge upon request.

STEP BY STEP

STEP 1

Print your design on the smooth matt side (Do not mirror image). Allow to dry for 4 hours.

STEP 2

Weed away any excess material. Cover the transfer with application tape and using a hard squeegee, using heavy pressure, remove any air bubbles. Turn over and peel the backing away.

STEP 3

Place transfer face up onto the garment (application tape on top) cover with a silicone sheet and press for 20 seconds at 140°C.

STEP 4

Once pressed, remove the silicone sheet and peel hot.
